SPECIFICATION

Sioux Chief 696-EX OxBox™ frame extension shall be used where necessary in accessible plumbing applications. The extension shall extend the outlet box face ½" and accomodate additional layers of drywall. The extension shall be affixed to a current 696 drain or supply box. Multiple extensions can be used in combination to achieve most depths needed when providing access within the 696 series.

MATERIALS

fire-rated ABS

WORKING TEMPERATURE

Melting point: 200°F
Working temperature: 150°F

CERTIFICATIONS

Certified for use with Sioux Chief's fire-rated series of OxBox™ to ASTM E-814, ASTM E-119, and UL 1479
