Catalog No. 654716MAG

Color-Coded Magnetic Hollow-Shaft Heavy-Duty Nut Driver, 7/16-Inch

Klein's Magnetic Color-Coded Hollow-Shaft Heavy-Duty Nut Driver features a fully pass through through drivers for driving nuts on threaded rod and prevents bottoming out. Rare-Earth metal magnet is protected by a brass inner sleeve and strike plate to prevent the magnet from falling out or being damaged by sharp edge threaded rod. Cold forged steel wrench assist provides greater torque. Color-coded handle and dome-stamped to easily identify the common 7/16-Inch hex size needed for the job.

Specifications

Application:	Nut Driving on Unlimited Bolt Lengths	**Special Features:**	?Wrench Assist For Greater Torque
