Telescoping Pole Tool (DLM18)

Includes Triple 6 foot Poles to Extend Reach to 24 ft & 3 Adapter Heads

NEW IMPROVED DESIGN

Provides a safe way to reach areas that previously were dangerous or inaccessible to ladders, scaffolding, and scissor lifts - including vaulted ceilings, over stairwells, and through ceiling grids.The Dottie Telescoping Pole Tool is the electrician's pole tool. The three interchangable heads make it the most efficient tool of its kind. Use it to install ceiling wire, threaded rod, and overhead screw or nut installations. The Pole's drive system works with any 3/8" or 1/2" drill.
