Straight to 90° Extra Flexible Tubing SWIVEL LOK® Connector, Nylon

Features

- All black nonmetallic construction ends metal fatigue and separation problems and provides superior corrosion resistance
- Each connector is supplied with a Neoprene O-ring and nylon gasket
- SWIVEL-LOK, multi-position connector (trade sizes 3/8 in. to 1 in.) twists from 0° to 90°, easing installation in difficult locations and eliminating need to stock other angle connectors
- Additional sizes available

Application

- For use in dry or wet locations when the conduit and fittings are not subject to physical damage
- Use extra flexible tubing and connectors whenever added flexibility is required for installation, operation, or maintenance
