We connect and protect

# Cadweld One Shot 3D, 4/0 Conc, #4-6 Rebar,Vertical Tee, Cadweld Plus

## CATALOG NUMBER

**RJ2CRB2QPLUS**

The nVent ERICO Cadweld One Shot 3D Cable to Rebar is a custom, single-use mold using Advanced 3D printing technology to create high-quality permanent exothermic connections. This mold has been designed specifically for cable-to-rebar connections, and its compact size allows connections to be made in narrow or hard-to-reach places. The mold is for single use only and can be quickly installed, making it ideal for making ufer ground connections.

## CERTIFICATIONS

## FEATURES

- Single-use 3D printed ceramic molds
- Weighs 95% less and is 62% smaller on average than traditional graphite molds
- Smaller mold size convenient for reaching into tight areas, such as in a rebar cage
- The mold does not require any preheating or cleaning
- Forms a permanent, low-resistance connection
- Installation accessories included in the box – no separate handle clamps needed
- Made in the USA
