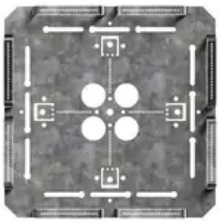
Lanced Box/Conduit Support Plate, 12 inches

By Raco
Catalog # 9112RL



Lanced Box/Conduit Support Plate, 12 inches

Features

- Mount horizontally or vertically from a single ½" threaded rod
- Bendable tabs secure plate in vertical installation
- Multiple markings for easier box alignment
- Pre-punched holes for rear raceway access
- Holes and slots provide limitless options for clamp or strap installation
- Constructed of heavy 16 gauge galvanized steel

Application

RACO box support and conduit positioning plates offer flexible options for quickly hanging electrical boxes in commercial or industrial overhead applications. Also provides a means of positioning for conduit exiting the box. Create a clean, organized and strong installation that saves time and materials compared to traditional suspended procedures.
