Blue Monster Torch Guard Heat Shield

Shield studs, walls, floors and surfaces from flames, sparks and molten splash during soldering and brazing operations

Professional contractors and do-it-yourselfers appreciate the flame resistance and liability protection provided by Blue Monster Torch-Guard. It's asbestos-free (OSHA's Material Safety Data Sheet on Torch-Guard is available) and features high-strength needle-punched carbon fiber that stands up to heat while other materials peel, flake and break down. Ideal for confined working areas, Blue Monster Torch-Guard is very flexible, easy to work with and provides heat resistance up to, but not exceeding 2500ºF. This heat shield has two grommets for hanging, is flexible and will not peel, flake or break down.

Cat #	Description	Std. Pkg.	Wgt./Pkg.
71032	9" x 12" Torch Guard Shield	5	1.1 lbs.
71034	12" x 12" Torch Guard Shield	5	1.5 lbs.

- Protects against flames and sparks during soldering and brazing
- Ideal for higher-temperature torches
- Flame resistance to 2,500ºF

Attractive display for shelves and counters grabs contractor's attention.

Velocity Tankless Water-Heater Flush

Cleans and Restores Water Flow and Efficiency to 100%

BLUE MONSTER® Velocity™ is a fast-acting compound with the strength needed to remove scale, lime, rust, and other corrosive water-formed deposits inside on-demand water heaters. Velocity™ contains sulfamic acid, a highly-effective agent used to clean heat exchangers, boilers and condensers.

BLUE MONSTER® Velocity™ is approved for use on copper and stainless steel heat exchangers. It's non-corrosive and safe for potable water systems. Velocity™ is also NSF Nonfood Compounds A3 listed. Use on commercial and residential tankless water heaters.

Cat #	Description	Std. Pkg.	Wgt./Pkg.
76052	1.2 net lbs.	12	15 lbs. (6.80 kg)

Features:

- Restores circulation and pressure in under 20 minutes
- Dissolves lime, water scale and rust deposits
- Granules eliminate splashes and spills
- Easy to use - Mix Blue Monster® Velocity™ with water and circulate through system for a complete flush.
- Odorless
- For commercial and residential use
- No V.O.C.s • Made in the USA

NSF Nonfood Compounds A3

Whizz Banger Urinal Cleaner & Descaler

Keeps Urinals Open and Free Flowing

BLUE MONSTER® Whizz Banger™ dissolves uric acid deposits, eliminates uric odors, cleans, and disinfects urinals and toilet bowls in one step! Urine creates uric salt crystals, the most common cause of urinal drain blockage.

BLUE MONSTER® Whizz Banger's™ non-fuming formulation breaks down uric acid build-up that restricts urinal drainage flow. It's fast acting and compatible with copper, steel, cast iron, PVC and ABS drain pipes.

BLUE MONSTER® Whizz Banger™ maintains optimum flushing performance.

Cat #	Description	Std. Pkg.	Wgt./Pkg.
76056	32 net fl. oz. (.95l)	12	31 lbs. (14 kg)

Features:

- Non-fuming - Quickly unclogs urinals
- Eliminates drain odors.
- Cleans, disinfects, and deodorizes in one step.
- Removes iron deposits in toilet bowls.
- Will not etch urinal and toilet bowl surfaces
- Dissolves water scale, rust, and uric acid deposits.
- For commercial and residential use.
- Keeps urinals open and free flowing.
- Excellent for urinals, toilet bowls, and general descaling.
