

Wrot/Steel FLANGES

Available in Sizes: 1/2" to 8"

The *Industry Solution*
to **LEAD FREE**
Brazing

Introducing the **Elkhart Products** 2 piece wrot/steel flange in our 741 and 771 series. This floating flange provides versatility and ease of installation to any piping system. The copper adapter component is lead free and suitable for solder and brazing applications. **Elkhart Products** offers the 741 Series in 125 pound classification in 1/2" thru 8" dimensions. Additionally EPC's 771 Series 150 pound classification is available in 1" thru 8" dimensions. The epoxy coated floating base offers a seal for dielectric applications.
