

UNION SQUARE

Originally inspired by historical reproduction gas lanterns, Union Square now offers a four-light chandelier and five-light linear island fixture. The simple geometric form features a Stainless Steel frame that is paired with vintage-style light bulbs. Mechanical details such as exaggerated knobs provide character to the form.

UNION SQUARE

Union Square features a reproduction gas lantern inspiration. A Stainless Steel finish complements the natural polished material and clear flat glass panels. Mechanical details – such as exaggerated knobs – provide character to the form. Open bottom on wall lanterns provides easy access for cleaning and relamping.
