

LED SLIM-LINE SURFACE MOUNT

This 5-1/2" LED surface mount delivers a solution for both residential and commercial markets. An integrated AC LED light engine allows for installation to 4" octagonal and 4" x 1/2" ceiling pan junction boxes. Features a die cast aluminum housing with a White powder coat paint finish. The diffused polycarbonate lens controls glare and hides LED pixilation, while spring steel mounting clips offers easy and intuitive snap in installation. Lumen output comparable to 60W incandescent light bulb. Features a 50,000-hour LED life and 80% energy savings.
