CALDER

P400144-009

Calder celebrates the elegance of movement with a graceful articulating center column. Pivoting arms provide a nearly endless array of configurations to complement the asymmetric design. Larger scale design is suitable for open floor plans, great rooms or anywhere a dramatic focal piece is needed to make a bold statement. The minimal form provides a perfect showcase for vintage or globe style light bulbs. Available in either Brushed Nickel or Graphite finish.

FINISHES

- Brushed Nickel - 009
- Graphite - 143
