

# BLANCO LED

P300150-150-30

LED vanity and sconce in the Blanco collection highlight a classic form with contemporary updates. Brushed Nickel accents complement a Faux White Marble frame and canopy with a design that minimizes all visible hardware for an elegantly modern effect. Suitable for residential and commercial applications, the 22" and 32" sizes can be installed vertically or horizontally to complement Modern, Luxe or Mid-Century interiors.
