

LED PUCK

The Hide-a-Lite V LED Puck provides an ideal solution for many applications. The low profile design provides versatility to allow installations inside a cabinet, under a cabinet and above a cabinet to provide up light. The Hide-a-Lite V LED Puck offers a quick and simple mounting installation and SPT-2 wire can be used for direct wiring. Energy Star Listed and meets CA T24 JA8-2016 requirements. The Hide-a-Lite V LED Pucks can be dimmed down to 10% with many Forward Phase (Triac) and Electronic Low Voltage (ELV) dimmers.
