Wall Plates Brass One & Two Gang

SB1, SB2, SB8, SB82, SB26, SB262, SB13, SB23, SB7

The soft, warm look of brushed brass.

These sturdy wall plates deliver a winning combination of commercial durability and rich style. We build these plates with a 70 percent copper/30 percent zinc brass alloy that provides a handsome, warm appearance. They are finished with durable lacquer to prevent corrosion.

Features & Benefits

Constructed of .040 inch
thick brushed brass.

Aesthetically
pleasing contour
design.

Packaged in
protective film,
with finish-
matching screws.

SB7, SB262

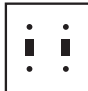

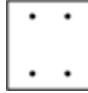

Field Uses/Vertical Markets

- Institutional
- Retail
- Office
- Hospitality/Lodging
- Multiple Dwelling
