

Smart Lighting lets you set the exact lighting you need, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, adorne® with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart switches, dimmers and outlets to build a solution that perfectly fits a home's unique space and needs.

Use this battery-operated sofTap® smart switch to control a full lighting scene with one touch. Add to any wall, no wires or tools needed, then program it easily within the app. Place by a front door, or the door to the garage, to turn lights on/off as you come or go.

Made exclusively for use with Wall Plates from the adorne® Collection, sold separately.
