

DISCLAIMER

Legrand's offering of products protected with Microban® antimicrobial* technology are currently available only from select retailers.

To help you determine if a specific Legrand product is protected with Microban®, please review the following indicators.

- At present, the inclusion of Microban® protection is limited to select switches, dimmers and plastic wall plates from the adorne® Collection. A list of the relevant part numbers can be viewed [here](#).
- Existing inventory of the designated switches, dimmers and plastic wall plates from the adorne® Collection at some partner locations may not yet include Microban® protection. To confirm that a specific Legrand product is protected with Microban®, check that the exterior of the product packaging includes:

a Green Dot Sticker

OR

a “Protected with Microban” label

*No antimicrobial efficacy claims are being made or are valid with respect to products sold in Canada.
