

Charge phones, tablets and more up to 40% faster, with Ultra-Fast USB Outlets from the adorne® Collection. Made to deliver a leading 6 amps of power, it provides a fast, future-proof solution for convenient in-wall charging without an adapter. Easily replacing traditional outlets in as little as ten minutes, this Ultra-Fast USB Outlet transforms your space with modern functionality and the unique, contemporary aesthetic of adorne. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

Features & Benefits

- For complete installation, device must be paired with an [adorne® screwless Wall Plate](#) (not included). Available in a range of contemporary colors and stunning finishes.
 - Charges the latest devices up to 2X faster, thanks to the industry-leading 6.0A of our Ultra-Fast line and a whopping 30W of power courtesy of advanced Power Delivery.
- Built for intelligent charging, the outlet detects and delivers the precise amount of power needed to maximize charging speeds.
 - Provides fast and convenient built-in charging through two future-proof USB Type-C ports, accommodating new and upcoming devices without an adapter.
- Helpful indicator light lets you see charging status at a glance. Light glows yellow while charging is in progress, and shows green once the device battery is sufficiently charged.
 - Includes multiple layers of overcurrent protection, ensuring the outlet and your favorite devices can charge at optimal levels without risk of damage.
- Legrand USB Outlets are manufactured through high-quality design, sourcing and production, and backed by a Lifetime Warranty.
 - Protects children with a patented tamper-resistant shutter system that prevents improper insertion of foreign objects, complete with "invisible shutters" for an invisible effect.
- Replaces a traditional outlet easily, in as little as 10 minutes, with features like scalloped cover design and posted side-wire terminal screws for faster installation.
 - More color options available to fit any style, including finishes to match current hardware and lighting trends.

Specifications
