PRODUCT SHEET

Carlton® non-metallic push-in fittings

Superior pull-out performance and cost efficiency.

Better than ever, Carlon® non-metallic fittings now available in ½" and ¾" sizes.

Features and benefits

- Easy push-in installation in knockouts—no tools required
- Certified for one or two cables
- Insertion from inside or outside of enclosures increases installation flexibility
- Snug fit eliminates movement within knockout
- Exceeds pull-out requirements for better cable security
- Distinctive colors to differentiate sizes: 1/2" gray, 3/4" blue
- UL® Listed, CSA Certified

Installation:

01 Align the flat surface or opening with the burr of the knockout for easier insertion.

02 Installation without cables: Insert the fitting into the knockout from the inside or outside of the enclosure.

03 For two-cable installation: Cables may be inserted individually or together.

Please see product instruction sheet for complete installation instructions and warnings.
