- (4) Faceplate Mounting Brackets
- (4) Faceplate Mounting Screws
- (8) Bracket Screws
- (4) Table Mounting Brackets w/ Screws
- (2) Cable Clamps & Screws
- (1) Fastener Tool

#### Installation precautions

- For best results, place the Table Top Box, Cable Nook in a dry area away from dust and moisture.
- To prevent fire or shock, do not expose this unit to water or moisture. Do not place the Table Top Box, Cable Nook in direct sunlight, near heaters or heat-radiating appliances, or near any liquid. Exposure to direct sunlight, smoke, or steam can harm internal components.
- Handle carefully and never lay the Table Top Box on the thin bezel. Dropping, jarring or striking may damage the bezel.
- Never place fingers inside the openings in the sides of the unit or along the bezel edges. The sharp edges may cause serious injury.

#### Cleaning

- Surfaces should be cleaned with a dry cloth. Never use strong detergents or solvents, like alcohol or thinner. Do not use a wet cloth or water to clean the unit.

#### Operation

- The access door opens to a 90-degree angle and then slides into the unit. The door remains open until all the cables are connected. The access door should be closed with the cables routed through the curved opening to prevent damage to the unit and to prevent liquids from entering the opening.
  - Additionally, the cover should be closed when not in use to prevent liquids or other debris from damaging the unit.
