

## Product data sheet

### Characteristics

# 8538SCG11V81F4T

## COMBO STARTER 600VAC 27A NEMA

Product availability: Non-Stock - Not normally stocked in distribution facility

Price\*: 1758.00 USD

### Main

|                                  |                                                                                                            |
|----------------------------------|------------------------------------------------------------------------------------------------------------|
| Commercial Status                | Commercialised                                                                                             |
| Product or component type        | Combination Starter                                                                                        |
| Range of product                 | S                                                                                                          |
| Control circuit                  | Control circuit transformer                                                                                |
| Provided equipment               | 2 fuses primary circuit                                                                                    |
| Control type                     | No control units                                                                                           |
| NEMA degree of protection        | NEMA 1 painted sheet steel with external reset                                                             |
| Auxiliary contact composition    | Without                                                                                                    |
| Motor power hp                   | 10 hp 575 V AC 3 phases<br>10 hp 460 V AC 3 phases<br>7.5 hp 230 V AC 3 phases<br>7.5 hp 200 V AC 3 phases |
| Poles description                | 3P                                                                                                         |
| System Voltage                   | 600 V AC                                                                                                   |
| NEMA size                        | 1                                                                                                          |
| Control circuit voltage          | 480 V AC 60 Hz primary circuit<br>120 V AC 60 Hz secondary circuit                                         |
| Local signalling                 | No indicator                                                                                               |
| Motor starter type               | Non reversing                                                                                              |
| Thermal overload type            | Melting alloy                                                                                              |
| Number of thermal units required | 3                                                                                                          |
| Disconnecter device type         | Non-fusible disconnect switch                                                                              |
