

NOTE / NOTE / HINWEIS / NOTA :

- Please note down and retain your transmitter's ID. You will need it for an ID Reset.
- Veuillez noter et conserver l'ID de votre émetteur. Il sera nécessaire en cas de Reset ID.
- Notieren Sie sich bitte die ID Ihres Senders. Sie benötigen diese für einen ID-Reset.
- Anote y guarde el ID del transmisor. Lo necesitará si hay que resetear el ID.

Models: ZBRT1 and ZBRTP

FCC USA and I C Canada Compliance Statement

This device complies with part 15 of the FCC rules and Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1). this device may not cause harmful interference, and (2). this device must accept any interference received, including interference that may cause undesired operation of the device. Note: Schneider Electric is not responsible for any radio or tv interference caused by unauthorized modifications to this equipment. Changes or modifications not expressly approved by Schneider Electric responsible for compliance could void the user's authority to operate the equipment.

⚠ WARNING / AVERTISSEMENT / WARNUNG / ADVERTENCIA

UNINTENDED EQUIPMENT OPERATION

- Do not use this equipment in safety critical machine functions.
- Use appropriate safety interlocks where personnel and/or equipment hazards exist.
- Install and operate this equipment in an appropriately rated enclosure for its intended environment.

Failure to follow these instructions can result in death, serious injury, or equipment damage.

FONCTIONNEMENT IMPREVU DE L'EQUIPE-MENT

- N'utilisez pas cet équipement pour des fonctions sensibles sur le plan de la sécurité.
- Lorsque des risques de blessures corporelles ou de dommages matériels existent, utilisez des verrous de sécurité appropriés.
- Installez et utilisez cet équipement dans un boîtier ayant les caractéristiques nominales adaptées.

Le non-respect de ces instructions peut provoquer la mort, des blessures graves ou des dommages matériels.

UNBEABSICHTIGTER BETRIEB VON GERÄTEN

- Setzen Sie das Gerät nicht für sicherheitskritische Maschinenfunktionen ein.
- Verwenden Sie geeignete Sicherheitssperren, wenn eine Gefahr für Personal und/oder Geräte gegeben ist.
- Installieren und betreiben Sie das Gerät in einem Gehäuse mit geeigneter Spannung für die Zielumgebung.

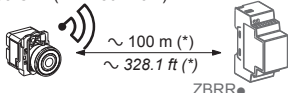

Die Nichtbeachtung dieser Anweisungen kann zu Tod, schwerer Körperverletzung oder Materialschäden führen.

FUNCIONAMIENTO INESPERADO DEL EQUIPO

- No utilice este equipo en funciones de maquinaria crítica para la seguridad.
- En caso de que exista riesgo para el personal o los equipos, utilice los dispositivos de bloqueo de seguridad adecuados.
- Instale y utilice este equipo en una caja con capacidad adecuada para su entorno.

Si no se siguen estas instrucciones pueden producirse lesiones personales graves o mortales o daños en el equipo.
