

### Main

|                           |                             |
|---------------------------|-----------------------------|
| Product or component type | Starter                     |
| Type                      | S                           |
| Control Circuit Type      | Control circuit transformer |

### Complementary

|                         |                                                                      |
|-------------------------|----------------------------------------------------------------------|
| Control Circuit Voltage | 120 V AC 60 Hz secondary circuit<br>480 V AC 60 Hz primary circuit   |
| Motor starter type      | Non reversing                                                        |
| Current Rating          | 45 A                                                                 |
| Number of Poles         | 3P                                                                   |
| Number of Phases        | 3 phase                                                              |
| Horsepower Rating       | 10 HP 200 V AC<br>15 HP 230 V AC<br>25 HP 460 V AC<br>25 HP 575 V AC |
| Maximum Voltage Rating  | 600 V AC                                                             |
| Control Units           | Selector switch (HAND-OFF-AUTO)                                      |
| Auxiliary Contacts      | 1 NO + 1 NC                                                          |
| Control Circuit Fusing  | 2 fuses (primary), 1 fuse (secondary)                                |
| Thermal overload type   | Melting alloy 3                                                      |
| Electrical connection   | Screw clamp terminals                                                |
| NEMA size               | 2                                                                    |
| Maximum Height          | 14.13 in (359 mm)                                                    |
| Maximum Depth           | 7.68 in (195 mm)                                                     |
| Maximum Width           | 14.88 in (378 mm)                                                    |

### Environment

|                        |                            |
|------------------------|----------------------------|
| Enclosure Type         | NEMA 1 painted sheet steel |
| Product certifications | CSA<br>NEMA<br>UL Listed   |

### Ordering and shipping details

|                     |                                    |
