NetShelter AV Enclosures

*Schneider Electric NetShelter SX Enclosures,
AV accessories, and Rack Cooling Products
for the professional AV industry*

CONDUIT AND CABLE ACCESS ROOF

> Four removable conduit access panels with holes varying in size and two cable access slots with brush strips for air containment

> Two spring loaded pins allow for easy roof removal and installation with cables in place

EASILY ADJUSTABLE 10/32 THREADED VERTICAL MOUNTING RAILS WITH BUSBAR ATTACHMENT POINTS

> To align, match the shapes along the side brace to the visible shapes shown through the opposite rail
> Simple screw and cam engagement with captive screws
> Easily align rails and adjust in 1/4 inch increments
> Toollessly mount busbars
> Numbered U positions

REMOVABLE SIDE PANELS AND FRONT/REAR DOORS

> Half height side panels for easy and safe handling
> Quick release latch on side panels
> Lockable – same key for doors/side panels
> Enclosure width the same with or without sides installed
> Perforated front and rear doors
> Split rear doors for better clearance in aisle

VERTICAL 0U ACCESSORY CHANNEL

> Toollessly mount cable management accessories or directly fasten cable bundles
> Toollessly mount power distribution
> Toollessly mount busbars

CASTORS AND ADJUSTABLE LEVELLING FEET

> Both are pre-installed and standard on all enclosures
> Levelling feet easily adjustable from the top down

> *Static Load Capacity 3,000 lb*
> *Doors, sides, roof, and rails are bonded to frame*
