

Innovative Design!

Square D Homeline Load Centers for Plug-on Neutral CAFI and Dual Function Circuit Breakers

Engineered for value, Homeline™ Load Centers offer time-savings for Plug-on Neutral Combination Arc Fault (CAFI) and Dual Function Circuit Breaker installation. Our innovative, split neutrals are designed to save you time and wire, allowing Plug-on Neutral Circuit Breakers to connect directly to the neutral bar without the pigtail. Coupled with the state-of-the-art design, our neutral bars are now fully-distributed, accepting Plug-on Neutral Circuit Breakers on any space.

 **Improve troubleshooting!**
All Square D™ CAFI and Dual Function Circuit Breakers feature TIME SAVER Diagnostics which provide circuit information at the touch of a button.

The Homeline Plug-on Neutral Advantage:

- > **Faster installation** — Fewer connections
- > **Saves wire** — Fully distributed split neutral bar*
- > **Frees gutter space** — No pigtails
- > **Easier troubleshooting** — TIME SAVER Diagnostics provide additional circuit information at the touch of a button
- > **Faster and easier wiring** — All spaces accept tandems

**Patent applied*

◀ Homeline Plug-on Neutral CAFI Circuit Breaker

◀ Homeline Plug-on Neutral Dual Function Circuit Breaker

by Schneider Electric

Homeline Load Center and Plug-on Neutral CAFI and Dual Function Circuit Breaker offers

- > **Faster installation** — No pigtail connections
- > **Easier and faster installation** — Innovative, fully distributed neutral bar is designed to allow branch conductor installation at the breaker and save wire
- > **Simplifies upgrades and remodels** — Accepts Plug-On Neutral, pigtail, full-size, and tandem circuit breakers on every space
- > **Easier installation** — Enclosure improvements include larger service conductor entrance and slotted side mounting holes
- > **Grounds install 1/3 faster** — Ground and unused neutral (when bonded) terminals are now UL® listed for up to (3) #10–14 wires

See the difference!

▲ Pigtail Neutral connection

- > **Less wiring**
- > **Clean gutter**
- > **Fast installation**

▲ Plug-on Neutral connection

★ With exclusive features including cutting edge circuit protection and TIME SAVER Diagnostics, Homeline Load Centers are the smart choice for value-minded contractors, remodelers, builders, and homeowners. Whatever your requirements are, Square D has a solution to meet your needs.
