RED Flag Notice

Time to End of Commercialization: Effective Immediately

Note: The red flag notification signals an **obsolescence**, withdrawal or discontinuation of an offer.

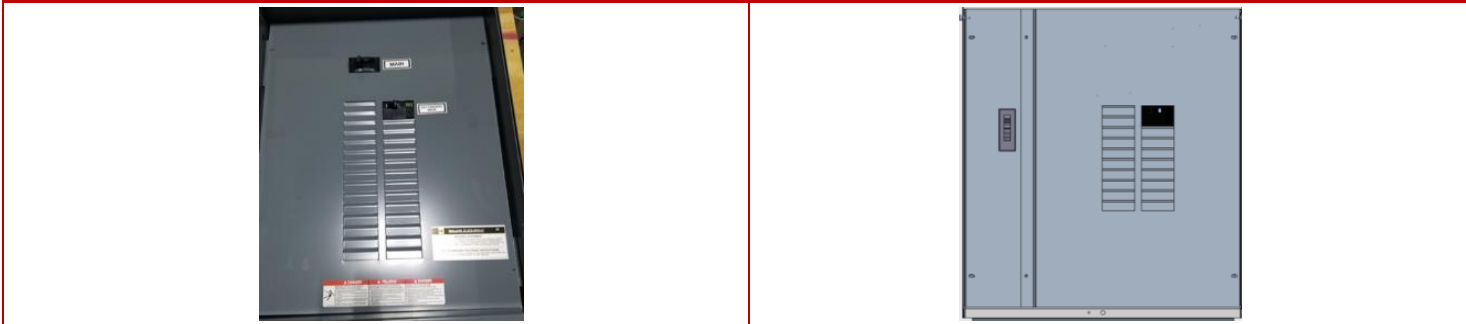

Product Name(s):	Mini Power-Zone Unit Substation	Customer Support No.:	1-888-778-2733
Product Line Description:	Bolt On Mini Power Zone	Document Issued:	11/17/2023

Description of Change:
 Schneider Electric is launching the MPUB, this new product will completely replace the current solution MPZB from Schneider Electric. **Originally announced February 2020 in association with the FAL breaker withdraw.** The MPUB product offering will incorporate the Power Pact H breakers, along with an updated NQ interior with incorporated neutral bar. It will also include the internal main breaker barrier first launched with the MPU solution, allowing for NEC service entrance requirements.

 The new solution, MPUB has some small dimensionnel changes from the current MPZB offer. See the comparison tables below.

Inventory Disposition and Return Policy:
 Use to depletion. Standard warranty applies. **Ineligible for Stock Rotations.**

Definition of Dates:

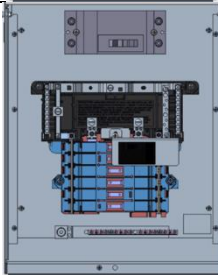

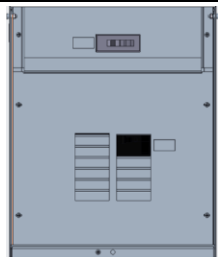

- a. **Last buy** shall be the last date that we will accept a PO. This date shall take into account the lead time to build the product as well as current inventory levels.
- b. **Product support** shall be 1 yr beyond end of commercialization or last buy whichever the latter.
- c. **Availability date of new product** is when the new products are expected to be orderable.
- d. **End of commercialization (EOC)** if made to stock; this date will be before the last buy date (taking into account the build / shipping lead time as well as current inventory levels). If made to order; this date will equal the last buy date.

Note: Our factories have limited capacities for products going obsolete. Product availability will be set on a first come first serve basis.
