#### Technical Information:

|                      |                                                  |
|----------------------|--------------------------------------------------|
| General Application: | Provides overload and short circuit protection   |
| For Use With:        | Industrial Enclosures and Switchboards           |
| Approvals:           | UL Listed - CSA Certified - IEC Rated            |
| Mounting Type:       | Unit Mount                                       |
| Terminal Type:       | Bus Connection - Line: terminal - Load: terminal |
| Wire Size:           |                                                  |
| Weight:              | 52                                               |
| Depth:               | 14.49                                            |
| Height:              | 16.24                                            |
| Width:               | 16.53                                            |
| Mounting Height:     |                                                  |

#### Description:

Number of Poles:  
Ampere Rating:  
Voltage Rating:  
Interrupting Rating:  
Circuit Breaker Rating:  
Fixed AC Magnetic Trip:

#### PowerPact R-frame Molded Case Circuit Breaker

3-Pole  
2000A  
600VAC  
125kA at 240VAC - 100kA at 480VAC - 50kA at 600VAC  
100% Rated

#### Specification:
