NOTICE OF AUTHORIZATION TO APPLY THE UL MARK

2007-06-29

Siemens AG
Herr Mark Temmes
Oestliche Rheinbrueckenstrasse 50

76187 Karlsruhe
Germany

E-mail: mark.temmes@siemens.com

Reference: File E115352 Project 07CA15302 P.O. Number 2712.01

Product: USL/CNL - REVISED MODELS SCALANCE X208, X206-1, X206-1LD, X204-2, X204-2LD

Dear Mr. Temmes,

Any information and documentation involving UL Mark services are provided on behalf of Underwriters Laboratories Inc. (UL) or any authorized licensee of UL.

UL's investigation of your product has been completed under the above project number and the subject product was determined to comply with the applicable requirements.

This letter temporarily supplements the UL Follow-Up Services Procedure and serves as authorization to apply the UL Listing Mark only at the factory under UL's Follow-Up Service Program to the subject product, which is constructed as described below:

Identical to the subject model, which was submitted to UL for this investigation. The UL Records covering the product will be in the Follow-Up Services Procedure, File E115352, Volume X2.

This authorization applies only to the address on this letter.

This authorization is effective from the date of this Notice and only for products at the indicated manufacturing locations. Records in the Follow-Up Services Procedure covering the product are now being prepared and will be sent to the indicated manufacturing locations in the near future. Please note that Follow-Up Services Procedures are sent to the manufacturers only unless the Applicant specifically requests this document.

Products that bear the UL Mark shall be identical to those that were evaluated by UL and found to comply with UL's requirements. If changes in construction are discovered, appropriate action will be taken for products not in conformance with UL's requirements and continued use of the UL Mark may be withdrawn.

Sincerely,

A handwritten signature in dark ink, appearing to read 'O. Froberg'.
