## 3SU1100-7BD10-1NA0-Z Y11

## **Data sheet**

Coordinate switch, 22 mm, round, plastic, black, 2 switch positions, vertical, momentary contact type, with mechanical interlocking in O position, with holder, 1 NO, 1 NO, screw terminal, with laser labeling, upper case

| product brand name   | SIRIUS ACT                          |
|--|-------------------------------------|
| product designation  | Coordinate switches                 |
| design of the product  | Complete unit                       |
| product type designation                                     | 3SU1                                |
| product line   | Plastic, black, 22 mm               |
| manufacturer's article number                                |                                     |
| <ul> <li>of supplied contact module at position 2</li> </ul> | 3SU1400-1AA10-1BA0                  |
| <ul> <li>of supplied contact module at position 4</li> </ul> | 3SU1400-1AA10-1BA0                  |
| <ul> <li>of the supplied holder</li> </ul>                   | 3SU1500-0BA10-0AA0                  |
| <ul> <li>of the supplied actuator</li> </ul>                 | 3SU1000-7BD10-0AA0                  |
| Enclosure  |                                     |
| shape of the enclosure front                                 | round                               |
| Actuator   |                                     |
| design of the actuating element                              | with mechanical interlocking        |
| principle of operation of the actuating element              | momentary contact type              |
| direction of actuation                                       | Vertical                            |
| product extension optional light source                      | No                                  |
| color of the actuating element                               | black                               |
| material of the actuating element                            | plastic                             |
| shape of the actuating element                               | Extended handle                     |
| outer diameter of the actuating element                      | 30.5 mm                             |
| marking of the actuating element                             | Any inscription, text in upper case |
| number of contact modules                                    | 2                                   |
| type of unlocking device                                     | push-to-unlatch mechanism           |
| number of switching positions                                | 2                                   |
| Maximum deflection angle [°]                                 | 30°                                 |
| Front ring   |                                     |
| product component front ring                                 | Yes                                 |
| design of the front ring                                     | high                                |
| material of the front ring                                   | plastic                             |
| color of the front ring                                      | black                               |
| Holder   |                                     |
| material of the holder                                       | Plastic                             |
| General technical data                                       |                                     |
| product function positive opening                            | No                                  |
| insulation voltage rated value                               | 500 V                               |
