

OUTDOOR EQ LC 4S 8C ML 125A

| General technical data                                  |              |
|---|--------------|
| configuration of the busbars                            | 125A         |
| fastening method  | Surface      |
| phase number  | 1            |
| suitability for operation                               | Residential  |
| Electricity   |              |
| ampacity  | 125 A        |
| voltage between phase and Ground (GND) rated value      | 120 V        |
| voltage between phase and phase rated value             | 240 V        |
| Switching capacity                                      |              |
| switching capacity current acc. to EN 60898 rated value | 100000 A     |
| Model   |              |
| product brand name                                      | Siemens      |
| product sub brand name                                  | Load Centers |
| product type designation                                | 1            |
| type of wiring of distribution board                    | 3w           |
| Mechanical Design                                       |              |
| number of modular width units for installation width    | 4            |
| width [in]  | 2117.504 in  |
