SIEMENS

Data sheet

Illuminated pushbutton, 22 mm, round, metal, shiny, yellow, pushbutton, flat, momentary contact type, with holder, 1 NO+1 NC, LED module with integrated LED 24 V AC/DC, spring-type terminal, with laser labeling, upper case and lower case, Always upper case at the beginning of the word

product brand name	SIRIUS ACT		
product designation	Illuminated pushbuttons		
design of the product	Complete unit		
product type designation	3SU1		
product line	Metal, shiny, 22 mm		
manufacturer's article number			
 of supplied contact module at position 1 	3SU1400-1AA10-3FA0		
 of supplied LED module 	3SU1401-1BB30-3AA0		
 of the supplied holder 	3SU1550-0AA10-0AA0		
of the supplied actuator	3SU1051-0AB30-0AA0		
number of command points	1		
Actuator	Actuator		
design of the actuating element	Button, flat		
principle of operation of the actuating element	momentary contact type		
product extension optional light source	Yes		
color of the actuating element	yellow		
material of the actuating element	plastic		
shape of the actuating element	round		
outer diameter of the actuating element	29.45 mm		
marking of the actuating element	Customized labeling, text in lower case / capital letters, all words start with capital letters		
number of contact modules	1		
Front ring			
product component front ring	Yes		
design of the front ring	Standard		
material of the front ring	Metal, high gloss		
color of the front ring	silver		
Holder			
material of the holder	Plastic		
Display			
number of LED modules	1		
General technical data			
product function positive opening	Yes		
product component light source	Yes		
insulation voltage rated value	320 V		
degree of pollution	3		
type of voltage of the operating voltage	AC/DC		
surge voltage resistance rated value	4 kV		

degree of protection NEMA rating shock resistance a according to IEC 60068-2-7 vibration resistance a according to IEC 60068-2-6 operating frequency maximum mechanical service life (switching cycles) typical electrical endurance (switching cycles) typical thormal current thormal current treference code according to IEC 81346-2 continuous current of the Quike DIAZED fuse link continuous current of the Quike DIAZED fuse link G continuous current of the public DIAZED fuse link G continuous current of the PIAZED fuse link G Substance Prohibitance (Date) operating vortage at AC — at 50 Hz rated value — at 60 Hz rated value	of the terminal	IP20
