

PCS 7 block library for SIMOCODE pro V9.1 AS blocks and faceplates for integration of SIMOCODE pro C/S/V in the PCS 7 process control system with Advanced Process Library for PCS 7 V9.1 engineering software for an engineering station Single License including runtime software for execution of the AS block in an automation system Single License German/English type of delivery: OSD software download, Class A email address required for delivery

General technical data		
software version		V 9.1
product description		Engineering software for SIMOCODE pro, software download, AS blocks and faceplates for integration into the SIMATIC PCS 7 process control system with Advanced Process Library.
national language of the software		german / english
product variations		engineering software
product license		Single License for 1 engineering station, Single License for 1 automation system
operating system required		SIMATIC PCS 7 V 9.1
software class		A
target system		SIMATIC PCS 7, SIMOCODE pro C / S / V
Features		
product component component library		Yes
- product function diagnostics function - product function controlled positioning - product function simulation function - product function technological function - product function analysis function - product function movement function - product function data acquisition function - product function commissioning function - product function communication function - product function project planning function - Product function maintenance function - product function evaluation function - product function parameterizing function		Yes No Yes Yes No No Yes No Yes Yes No No No
Requirements		
design of the drive/storage medium required		
- CD-ROM - floppy disk - DVD drive		No No No
Graphics card		
Software		
browser software required		no
viewer software required		no
Certificates/ approvals		
other

Further information

Siemens has decided to exit the Russian market (see here).

<https://press.siemens.com/global/en/pressrelease/siemens-wind-down-russian-business>

Siemens is working on the renewal of the current EAC certificates.

Please contact your local Siemens office on the status of validity of the EAC certification if you intend to import or offer to supply these products to an EAC relevant market (other than the sanctioned EAEU member states Russia or Belarus).
