Technical Specifications

Application

Product Overview:	These individual component ordering options are available as an ala carte option for customers that have existing XH Series Belden Cabinets and would like to replace an item, or want to add an additional item. These component selections are not meant to serve as an individual item selection to create a complete cabinet. If you would like to configure a cabinet for a BOM, please go to the cabinet configurator section of the online catalog that is titled "Need a custom configured product?" or do a search in the search bar for the cabinet series you are looking for to see the selection of compatible items available.
Benefits:	Side panels are made up of an Upper and Lower panel (2 panels per side), Panels can be used as a separator panel between cabinets
Environmental Space:	Indoor

Environmental and Overall Characteristics

Finish:	Medium Texture Powder Coat
