SPECIFICATION FEATURES

A...Electrical Quick Lock Adapter

Lexan polycarbonate casing. Attaches electrically and mechanically anywhere along track. Visual polarity line assures proper grounding. Two position conductor allows use in single circuit and either circuit of two circuit track.

B...Arm

Matching finish single arm allows lampholder to rotate 338° and adjust vertically from 0° to 90°.

C...Baffle

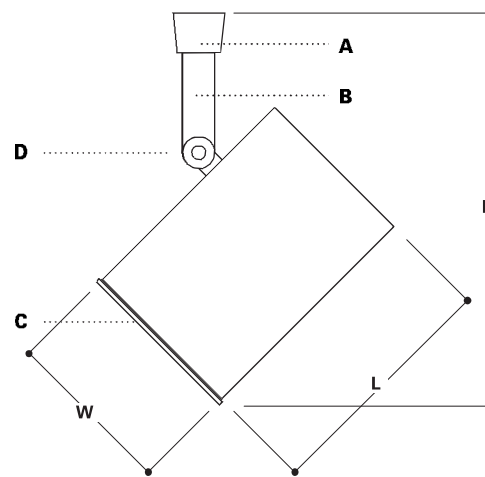

Baffle offered in white or black.

D...Swivel

Swivel maintains tension to keep lampholder properly aimed.
