

Lumark AP

ASWP Adjustable Slim Wall Pack

Features and Benefits

Simple. Outdoor. Solutions.

The ASWP Adjustable Slim Wall Pack provides customers with economical and efficient versatility for building adjacent walkways, building entrances, industrial facilities, storage facilities, schools and loading docks. Available with lumen and CCT selectable switches, the ASWP can be easily adjusted to fit the needs of varied environments. Field adjustable tilt rotation allows the ASWP to easily accommodate multiple requirements within a single project.
