SWITCHABLE LUMINAIRES

Look for all tradeSELECT® products with Switchable Solutions in the brochure!

FIELD ADJUSTMENTS FOR EVERY APPLICATION

Switchable luminaires offer field adjustability of lumen output, color temperature or both—lumen and CCT. Simplify with the features of up to 9 in 1 SKU! Reduce inventory on the shelf, reduce inventory costs and reduce stock outs with Switchable luminaires.

ORDER ONE SKU AND GET THE FEATURES OF UP TO 9 WITH 3 LUMEN OUTPUTS AND 3 CCTS

Accounting for higher mounting heights or warmer color temperatures is as easy as moving the switch! Switches are easily accessible and clearly labeled for simple selection of settings.
