## Features:

### Magnetic Torpedo Level

Additional Features:

930-9

- Lightweight, precision-made for durability and performance
- Convenient 9" length for use in tight spaces
- Magnetized strip on bottom

Cat. No.	UPC 0-92644+	Overall Length	Weight (lbs.)
930-9	86400-1	9" (229 mm)	.25

### Rare Earth Magnetic Torpedo Level

Additional Features:

931-9RE

- Powerful rare earth magnets, 10x stronger than strip magnets, hold firmly to iron and steel surfaces.
- Three acrylic vials – plumb, level and 45° provide the necessary jobsite measurements
- Top read level window simplifies viewing in tight areas

Cat. No.	UPC 0-92644+	Overall Length	Weight (lbs.)
931-9RE	93190-1	9" (229 mm)	.42

### 6" Electrician's Level

931-6RE

- Large, high visibility vials are easy to read
- Unique 3-point design holds securely to conduit
- Powerful rare earth magnets firmly hold the level to ferrous metals
- For use in measuring bends in conduit
- Machined billet aluminum design
- High contrast laser etched markings for high visibility readings

Cat. No.	UPC 0-92644+	Overall Length	Weight (lbs.)
931-6RE	86401-8	6" (152 mm)	.325

**▲WARNING:** Always wear approved eye protection.

### 9" Torpedo Level

932-9RE

- Large high visibility vials are easy to read
- Powerful rare earth magnets firmly hold the level to ferrous metals
- Easy to read vials set for measurements at 0, 30, 45 and 90 degrees
- Machined billet aluminum design
- High contrast laser etched markings

Cat. No.	UPC 0-92644+	Overall Length	Weight (lbs.)
932-9RE	86403-2	9" (229 mm)	.46
