Product / Packaging Specification

Key Features & Benefits:

HPM's WS44 weatherproof enclosures are designed for installation in semi-protected areas such as patios, barbeque areas and garden lighting installations.

- Attractive slimline design.
- The surface mounted version features improved access with ten conduit entries and extra space for larger cables.
- Rear accessibility is ideal for single and double brick walls.
- Enclosure lid is made from UV resistant materials.
- The lid can be padlocked to prevent unauthorised use.
- Accepts all horizontally mounted standard plates.
- Hinged door can provide up to an IP33 rating using screw caps and gasket provided.
- 12 months Warranty.

Warranty

HPM warrants this product for a period of 12 months from the date of purchase.

These goods come with guarantees that cannot be excluded under the Australian and New Zealand Consumer Laws. You are entitled to a replacement or a refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired if the goods fail to be acceptable quality and the failure does not amount to a major failure.
