

Southwire®

WIRE STRIPPERS & CUTTERS

Made of stainless steel with precision ground stripping holes. These tools are designed with double-dipped handles which allow a comfortable, but firm grip.

SERRATED NOSE

Serrated nose grasps the cable for easy twisting and pulling

EASY TO USE

Specially designed stainless steel cutting blades provide fast and clean wire stripping

STRIPS AND CUTS

Precision milled cutting blades won't nick conductors

HEAVY DUTY

Stainless steel construction is durable and rust-proof

COMFORTABLE GRIP

Double dipped grip provides comfortable fit

SPRING LOADED

Spring loaded for self-opening action
