

# nVent CADDY B18 Combination Box/Conduit Hanger

## CONNECT AND PROTECT

The nVent CADDY Combination Box/Conduit Hanger is a fast and secure method to install a wide range of electrical boxes/conduit in overhead installations with a single threaded rod drop. The system is designed to provide greater efficiency in the field with our industry-leading range of nVent CADDY Snap Close Conduit Clamps and innovative nVent CADDY 512X Electrical Box Mounting Clip.

### FEATURES

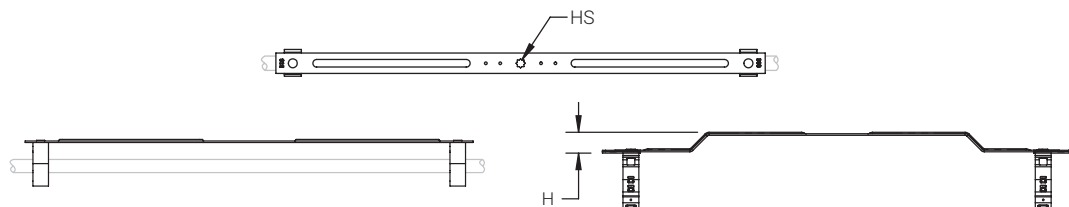

- One assembly provides support for horizontal electrical box and conduit from threaded rod
- Eliminates need for offset bending conduit
- Provides independent first means of support for conduit and/or MC/AC cable
- NEC® and CEC compliant
- Ideal means of support when used with the nVent CADDY 512X Electrical Box Mounting Clip with offset

Material: Steel, Spring Steel  
Finish: Pregalvanized; nVent CADDY Armour
